

January 2, 1974

SENATOR CLARK: Mr. Speaker I'd like permission to withdraw 78. LB78.

SPEAKER: Where is it?

SENATOR CLARK: It's on General File

SPEAKER: Well, I think Senator that we should wait until we get to General File for that motion. So we still have Senator Marvel's motion. The Clerk will read his motion.

CLERK: The motion was. I move that all Bills on Final Reading be bracketed until January 7, 1974. Now Senator Burbach has amended that to exclude LB17.

SPEAKER: Is there any further discussion? If not, all those in favor vote aye, those opposed vote no. Have you all voted?

SPEAKER: Have you all voted? Clerk will record.

CLERK: 35 ayes, no nays, 14 not voting.

SPEAKER: Motion carries. Mr. Clerk are there any resolutions?

CLERK: Yes. Mr. President I have two further communications that should have been read in earlier and I had overlooked them. One is that pursuant to Rule 1, Section 22 of the Legislative Rules, this will advise that the salary schedule of the Legislative employees are on file in the Office of the Clerk. Signed Senator Carpenter. Another communication Mr. President is from the Game and Parks commission, that pursuant to a statutory requirement they have filed with the Legislature a one year and a five year plan for improving of all exterior access roads in interior service roads. This report will be on file in my office if anyone wants it. Mr. President, Legislative Resolutions 91. Introduced by Senator Maresh of the 32nd District. (see resolution book)
